

As the year comes to a close, what are some annual traditions that you engage in to prepare for the new year?

“Professionally, I evaluate the status of all of my cases and ensure that I am starting the year strong. Personally, between Thanksgiving and Christmas is my favorite time of year! So to prepare for the new year, we are proactive with spending time with our loved ones, eating all the sweets, seeing all the lights, and reflecting on how we, as a family, can make a positive impact in the new year.”
